## IMPORTANT ROADWORKS INFORMATION

**Lewes Road, Blackboys**

**7 May 2024**

Dear Resident,

Balfour Beatty is working in partnership with East Sussex County Council to manage the highways service across East Sussex. As part of this, we will be carrying out a drainage investigation in Lewes Road, Blackboys.

Once completed, these works will help alleviate flooding to the carriageway and private property.

### When do they start?

Work will be carried out between **Monday 3 June** and **Friday 14 June**. We will inform you of any changes to the dates or times via advanced warning signs on site.

### How will this impact highway users?

The team will be working from outside property 'Brownings Manor' and will continue South West to outside property 'Beeches'.

The road will remain open with temporary traffic signals in place between 9:30am-4pm.

### Information for residents and businesses

**Parking:** If required, we will put out 'no parking' signs and cones on the site to advise where parking is restricted. Please avoid parking in these locations as it will delay our works.

**Weather:** All of these works are subject to favourable weather conditions, for example heavy rain may affect the progress of the works.

Properties close to the carriageway may experience a temporary disturbance as this can be a noisy process and those properties may experience flashing lights and reversing sirens.

We would like to take this opportunity to apologise in advance for any inconvenience or disruption this work may cause, however this forms part of our continuing improvement for the East Sussex highway network.
