The Parish Council supports the application subject to the materials being used being sympathetic to the existing materials and fabric of the building. The proposals will have minimal impact on the Manor particularly as the proposals replace the outdated conservatory and will be able to be used all year.

- **WD/2025/0813/F – Proposed two storey and single storey side extension.**  
**5 Brownings Cottages, Possingworth Lane, Waldron TN22 5HE.**

The Parish Council supports the application. The design is in-keeping with the existing building. Due to aesthetic and visibility in terms of street scene – matching materials should be used for the extension.
