

FRAMFIELD PARISH COUNCIL

Planning Committee Details of Delegated Comments November 2025

Decisions can be delegated to the Chairman (or Vice-Chairman) plus two other members if agreed by the Chairman.

The following decisions were made under delegated authority by Trishia Blewitt (Chairman), David Jenner and Keith Brandon. (The Chairman has the casting vote in any tie).

- **WD/2025/1960/F – Extension and conversion of existing outbuilding to form annex living accommodation to be ancillary to main dwelling. Old Stables, Blackboys Road, Framfield TN22 5PN.**

The Parish Council supports the application. The small extension, creating a bedroom and shower room and conversion of the existing gym and garden room will have no impact on the street scene or neighbours and there are currently no objections. It will be additional accommodation for the main house. The materials will be matched in with the existing building.

- **WD/2025/2307/F – Proposed single storey rear extension and internal alterations.**
4 Tudor Walk, Framfield TN22 5PG

The Parish Council supports the application. The single storey extension will be built over the existing conservatory and patio, thus extending the kitchen to create a breakfast bar area. It will have no impact on the street scene and the materials will match the existing property. The garage will become a storage area.

- **WD/2025/2338/F – Single storey shower and utility extension to front of existing dwelling.**
25 Framelle Mount, Framfield TN22 5PT

The Parish Council objects to the application. The front extension of a utility room and toilet will look out of place on the street. Although only a small extension, it will be very imposing, stand out from the neighbours' houses and block light to the neighbour's garden for the majority of the day which is unacceptable.
